Dear Vendor:

Denver Health Managed Care is now able to complete Electronic Funds Transfers (EFT)!

This new process will enable Denver Health Managed Care and the Denver Health Medical Plan, Inc. to electronically deposit funds into provider accounts, which will dramatically streamline the payment process.

To enroll in the EFT program, please complete the enclosed **“Electronic Payment Information Request Form”** and return to the address listed below:

**Denver Health
Managed Care Division/Provider Relations
938 Bannock Street, Mail Code 6000
Denver, CO 80204-6000
Attn: Rick Muhammad**

You may also email your completed form to: [**RMuhamma@dhha.org**](mailto:RMuhamma@dhha.org)

You may also fax your completed form to: **303-602-2096**

Please be sure to review your payment options and banking instructions with your financial institution before returning the signed authorization form. If your company has multiple remittance locations, you may want to request that Denver Health consolidate all payment activity into a single account.

We are certain that you will find our financial EFT payment option beneficial to your cash receipt processing. If you have any questions please call 303-602-2049.

Sincerely,

R. J. Aguilar
